Activity Title
BOLD PHCOE-DC’s Public Health Opportunities and Challenges of Dementia Caregiving Conference

Activity Number
WD4575

Activity Worksheet- fill in the blank fill it in along with the recording (it is required to complete):

Program Description: This enduring activity is designed to increase knowledge and change competency of public healthcare on dementia caregiving practices and strategies.

Objectives:
At the conclusion of the session, the participant should be able to:

1. Describe caregiving for people with dementia and identify dementia caregiving issues
2. List public health specific concerns of dementia caregiving.
3. Describe personal experiences of family dementia caregivers
4. Facilitate inter-professional collaboration to address the needs of family caregivers of people with dementia
ACCREDITATION STATEMENTS:

In support of improving patient care, this activity has been planned and implemented by Centers for Disease Control and Prevention and BOLD Public Health Center of Excellence-Dementia Caregiving. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this enduring activity for a maximum of 10 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for 10 nursing contact hour.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer 1.0 CEU’s for this program.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use. CDC, our planners, presenters, and content experts wish to disclose they have no financial interests or other relationships with ineligible companies with the exception of Dr. Joseph Gaugler and he wishes to disclose Advanced Medical Electronics, Koronis BioTech, Healthcare Interactive Inc. All of the relevant financial relationships listed for these individuals have been mitigated. Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.
**Day 1**
