The Value of State Dementia Registries for Public Health Action for Dementia Caregiving

June 12th, 2023

Welcome from...

Joseph E. Gaugler, PhD

Director, BOLD Public Health Center of Excellence on
Dementia Caregiving

Professor and Robert L. Kane Endowed Chair in
Long-Term Care & Aging, University of Minnesota

His research examines innovation in dementia care.

Land acknowledgement

The University of Minnesota Twin Cities is located on traditional, ancestral, and contemporary lands of Indigenous people. We acknowledge with gratitude the Land itself and the People. We take to heart and commit through action to learn and honor the traditional cultural Dakota Values: Courage, Wisdom, Respect and Generosity.

The BOLD Public Health Center of Excellence on Dementia Caregiving (PHCOE-DC)

Designed to support state, tribal and local public health agencies nationwide in developing their dementia caregiving-focused programs and initiatives, by...

Improving access to evidence-based programs and best practices.

Facilitating connections and collaboration among public health agencies and a wide range of service organizations.

Providing technical assistance for identifying, selecting implementing effective public health interventions and strategies.
